Remarks

The final Office Action mailed July 25, 2006 provided a final rejection of all pending claims 1-2, 4-5, 8-13, 17 and 25-43. A first post-final Response was filed October 3, 2006 with various claim amendments to claims 1, 5, 25, 29 and 32-34.

In an Advisory Action mailed October 26, 2006, the Examiner indicated that the amendments would not be entered due to an error in claim dependency, but indicated that if the error was corrected, entry of the amendments would result in allowance of claims 1-2, 4, 8-13, 25-28 and 30-31. The Applicant's Attorney apologizes for the error in the previous Response, and gratefully acknowledges this indication of allowability of the claims.

Accordingly, the Applicant is submitting this second post-final Response to present claim amendments to independent claims 1 and 25, and to cancel claims 5, 29 and 32-43 without prejudice.

As before, independent claim 1 has been amended to generally incorporate subject matter from cancelled dependent claim 5, and independent claim 25 has been amended to generally incorporate subject matter from cancelled dependent claim 29.

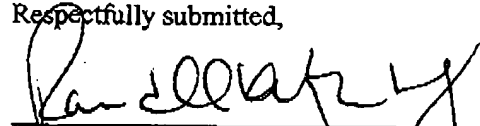

These amendments are believed to be proper, do not introduce new matter or raise new issues that have not been previously considered by the Examiner, and serve to place the application in proper condition for immediate allowance. Reconsideration and allowance of pending claims 1-2, 4, 8-13, 25-28 and 30-31 are therefore respectfully solicited.

This is intended to be a complete response to the final Office Action mailed July 25, 2006. The Applicant respectfully requests that the Examiner enter the above amendments, reconsider the application and allow all of the pending claims.

The Examiner is invited to contact the below signed Attorney should any questions arise concerning this response.

Respectfully submitted,

By:
